## 01: NEWS FROM HQ

Coronavirus disease (COVID-19), an infectious disease caused by a new, never-seen-before virus that erupted in the World in February 2020. As the Disease made its way to India, the Prime Minister of India: Shri Narendra Modi-Ji quickly reacted and placed India in a 21-day lockdown.

A simple and effective way to minimize the spread of the disease, to reduce the chances of infection included staying at home, avoiding crowded places, washing hands with soap and water often and for at least 20 seconds, practicing good respiratory hygiene and avoiding touching the eyes, nose, or mouth with unwashed hands.

In such circumstances, sanitizing public spaces and street furniture were an added advantage.

Our sewer cleaning machines, namely the **KAMBI** and the **KAMJET** were capable of being used for sanitizing. Done in many cities across India to include – Hyderabad, Indore, Raipur, Bilaspur, Lucknow, Varanasi and many more.

The process involved to minimize transmission was as follows:

- Remove the Nozzle provided.
- Fill the Tank with a solution of Aqua Chlorine (Sodium Hypochlorite Solution) and Water (3 drops of Solution per 20 liters of Water).
- Spray all Public Spaces, Street Furniture and Objects of Human Contact.

## 02: EVENTS AT KAM-AVIDA

**Food Grain Distribution for Safai Karamchari's,** daily wage workers, residing in Mankhurd in Mumbai. Packets of 1 months Food Grains including Wheat, Rice, Dal, Sugar, Spices and Soap were donated by Mr. Amitabh Bachchan and distributed by Kam Foundation to over 120 families.

**Work from Home has never been so much fun** before. The Sales Team huddled up post the lockdown announcement and ideated on how we would like to spend our time. Rather than sitting at home sulking – we decided to spend this time honing our skills. We began attending Sales Development Sessions everyday from 11 AM to 1 PM from the comfort of our homes on Video Conferencing.

**The Team at Kam Foundation collected** donations from many individuals and organizations in order to provide Personnel Protective Equipment (PPE) to the warriors on the forefront –Doctors and Medical Staff, our Police Officers and Sanitation Workers. Here is the KF Team distribution Face Masks and Gloves to the Police Officers in the Red Zone of Pune, Maharashtra.
